# Team Snooker

Friday, June 12, 2026 \* Mid-Atlantic Regional \* Karen Gloor

## Opening:

Start jump is bi-directional. All obstacles/combos are bi-directional...for 7a/b, to complete it correctly, you must take the tunnel from both sides, IOW...don't take the tunnel from the same side twice...if you do, fix it (take it from the other side) and continue for 0 points.

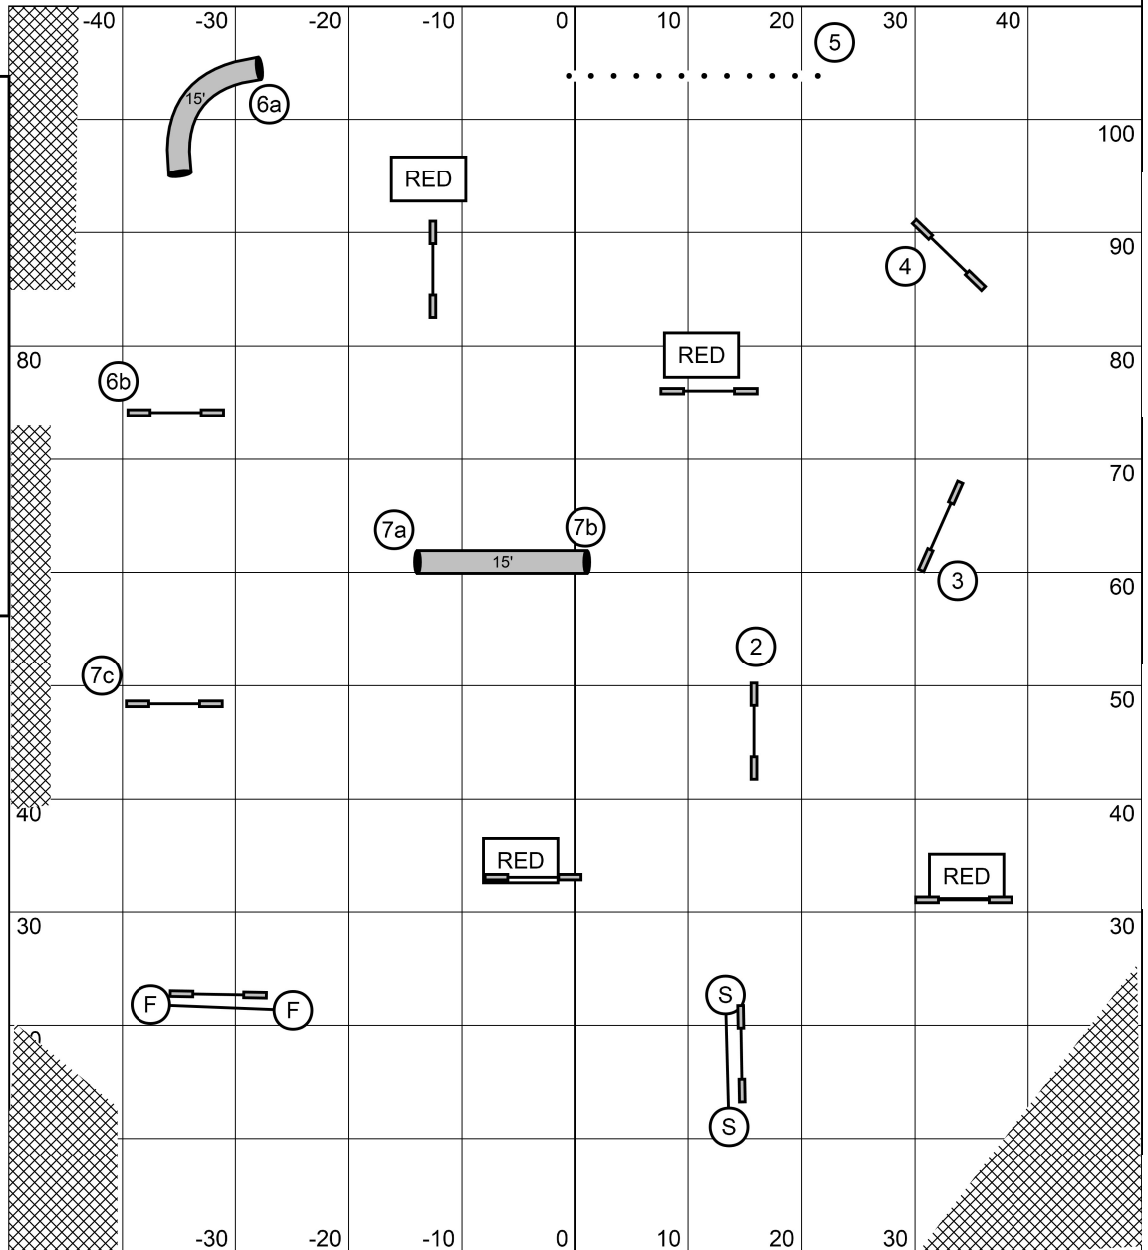

If a bar drops on an obstacle, you can continue to take that obstacle for zero (0) points, or find another obstacle to take.

## Closing:

Only #2 is bi-directional. If a bar dropped during the opening, continue through the uprights for zero (0) points and keep going to the end (or until your dog faults something).

## Times:

C20/24 P16/20: 50 sec.  
C12/16 P8/12: 55 sec.  
C8 P4: 60 sec.
