

2026 Cynosport World Games

Entries On Hand as of Tuesday September 8, 6:30pm EST

This includes courier and mail for received up to Saturday and emails received up to Tuesday morning

I took the names from the return addresses, so if your entry was included with someone else's entry, yours is here too – I didn't go into each envelope to get all names 😊

Will be processed in order of receipt. If you are on this list, you are "in"
