

2026 Cynosport World Games

Entries On Hand as of Wednesday September 9, 11pm EST

This includes courier, mail and emails received.

I took the names from the return addresses, so if your entry was included with someone else's entry, yours is here too – I didn't go into each envelope to get all names 😊

Will be processed in order of receipt. If you are on this list, you are "in"
