The trial site is open to exhibitors at **7:30am on Saturday and Sunday.**

Saturday: as there is another event on site on Saturday, we will have parking attendants. Those attending the ISC trial will be asked to park on the side of the green building in the old outdoor ring. Those attending the USDAA trial will be asked to park on the side of the sheep pens on the red building side.

Orchard Hills is located on private property and is NOT open to the public outside of event hours. Waiting on the driveway or on Church Street prior to the facility opening is not allowed. The premises are closed when the show committee leaves for the day and all competitors must exit by that time. Admission on the premises outside of stated hours is not permitted and is considered trespassing. If you need access to the property outside of stated hours due to extenuating circumstances, you will need to obtain permission of the show chairperson and/or the property owner. If you find yourself arriving early for the event, there is a Turkey Hill north on 100 and Redners and Dunkin Donuts south on 100.

Please be respectful of the competitors of the ISC event on Saturday.

ABSOLUTELY NO COMPETITORS/DOGS ALLOWED ON THE PROPERTY TO THE LEFT AS YOU ARE COMING UP THE LONG DRIVEWAY.

Dogs are not allowed in the indoor bathrooms.

Please use the designated potty area to the right of the red building in the first pen behind the propane tank and clean up after your dogs. There are buckets and scoopers available. Do not potty dogs anywhere near the outside agility rings or on or near the buildings.

You may use the sheep pen directly next to the potty area to run your dog.

Use tarps under crates. Crating is first come, first served.

Dogs must remain on leash at all times, except when competing in the ring or in the warm-up jump area. No dogs in the front row unless sitting on a chair.

Competitors must be present with dogs immediately following the class in which an award is earned in order to claim prizes and awards. All prizes and awards must be claimed on the day awarded; no awards will be mailed.

RV Parking was "in advance" reservation only through Cindy Madeiros.

Obey the speed limit when driving on North Church Street. Police have been known to issue tickets for speeding!

Don't forget to add any new titles that you and your dog earn in our New Title Book which will be at the ribbon table! I'll make an announcement to FaceBook about everyone's accomplishments!

FOOD – We WILL have a food vendor. The Wounded Warriors are back and all proceeds go to The Wounded Warrior Project.

BITCHES IN SEASON:

Bitches in season (BIS) will be allowed at this trial and will be starting on a mat (please bring your own) or in VERY WELL FITTING panties. BIS will run in their assigned order in the run order with a BIS marked beside their name. Let the gate steward know for all BIS so that we can mark them appropriately. For Starters/Adv Standard classes, all BIS will run at the very end of the class and the table will be cleaned before the next class. Please see the official policy statement.

MULLIGAN RUNS:

We will be NOT be offering Mulligan runs for this trial.

CHECK IN & MEASURING

No competitors may enter premises (this pertains to parking areas or buildings) **prior to 7:30am on Saturday and Sunday**. Please do not arrive in the parking lot before these times as our club members need the time for trial set up!! There will be absolutely no competitor setup on Friday.

Check-in and measuring will be between the site opening and 8:15am on Saturday and Sunday with judge's briefing/walk throughs starting shortly thereafter and judging to start at **8:30am**.

There will be two types of check-in, Full Service and Express. Each dog is a unique entry; just because one dog may not need to check-in/measure-in does not mean that all of your dogs entered are able to do so as well.

Full service check-in is required if you did not provide a copy of any card showing that the dog has been permanently carded. Measuring will be required for those who cannot present their permanent or completed temporary USDAA cards/sheets or whose dogs are NOT jumping the maximum jump height.

Express check-in is available for those who DID provide a copy of any card showing that the dog has been permanently carded. You must check yourself in and verify your Registration number; if you missed verifying it in your confirmation, this will be your final chance to do so.

If you are unsure of the check-in/measuring-in procedure, odds are you need to have your dog measured. Bring your dogs that need measuring AND their temporary height cards/sheets to the measuring line BEFORE getting in the check-in line. USDAA no longer mails the blue temporary cards; **you must print out the temporary measuring page from your dog's USDAA page. All measurements are recorded on that sheet, so you need to keep it and bring it with you to each trial until all measurements are done.**

You may also show your AKC permanent height card

SCHEDULE AND COURSE MAPS

We will not be providing copies of running orders for each competitor. We will have course copies posted. A running order will be available for download and for you to print from www.dognutmom.com by Thursday morning.

Course maps will be available on my site, www.dognutmom.com These should be available by 10pm the night before
