**I NEED ANY CHANGES BY Tuesday June 9, 9am!!!** I need to start printing on Tuesday and am leaving for the site early on Thursday morning.

DO NOT WAIT FOR THE RUN ORDER TO BE PUBLISHED AS IT WILL BE TOO LATE BY THEN.

**Schedule Change:**

In order to finish at a more reasonable time on Saturday, we will be moving Biathlon Jumpers from the green building to the red building. This class will NOT be running concurrently with any other class, so there will be NO CONFLICTS. Biathlon Jumpers will be open for walk through while Masters Jumpers is running in the green building and this will be the ONLY time for that walk through. We will then run Biathlon Jumpers. After that we will walk and then run Steeplechase in the green building and the schedule will continue as originally listed. Karen Gloor will judge all classes. No groups will be necessary.

The new class schedule is on my site and is listed later in this document.

The run order will be available sometime late Wednesday at [www.dognutmom.com](http://www.dognutmom.com). We will not have extra copies, so please print and bring your own. We will also be using Agility Gate.

Course maps will be available on my site: [www.dognutmom.com](http://www.dognutmom.com) the evening before each trial day. They will also be available in Agility Gate. The Agility Gate code is 2026

We will be using the **saloon tire** at this trial. It will be available each morning until the end of the first class for familiarization

## KEYSTONE AGILITY USDAA TRIAL SITE INFORMATION

**The trial site is open to exhibitors at 7:15am all 3 days. Do not arrive before 7am! NO SET UP ON THURSDAY.** Orchard Hills is located on private property and is NOT open to the public outside of event hours. Waiting on the driveway or on Church Street prior to the facility opening is not allowed. The premises are closed when the show committee leaves for the day and all competitors must exit by that time. Admission on the premises outside of stated hours is not permitted and is considered trespassing. If you need access to the property outside of stated hours due to extenuating circumstances, you will need to obtain permission of the show chairperson and/or the property owner. If you find yourself arriving early for an event, there is a Turkey Hill north on 100 and a Redners and Dunkin Donuts south on 100.

You may only crate in the green building, first come, first served. Ground cover is required under crates. Only use Xpens for 3 or more dogs. **We ask that you be considerate of others and condense your set up as much as possible.**

**If crating out of the car, do not leave the car running with a/c if YOU ARE NOT IN THE CAR. Even though we have recently received rain, there is still a risk of grass fires as well as the risk of car exhaust fumes entering into adjacent cars.**

There will be a LIMITED number of spots where you can set up an EZ Up or similar sunshade. Tops for EZ Up type sunshades must be removed each night. Spots are first come, first served. Email Rosemarie Huey for a spot: [dncswhooves@gmail.com](mailto:dncswhooves@gmail.com) No EZ Ups will be permitted off the backs of vehicles.

Car and RV parking patterns may be slightly different than at a local trial, so please listen to the parking assistants!

There are limited handicapped parking spots available to those with a handicapped placard or license plate. **Email** Rosemarie Huey at [dncswhooves@gmail.com](mailto:dncswhooves@gmail.com)

There are indoor rest rooms for people only ... no dogs in the rest rooms.

Please use the designated potty area to the right of the red building in the first sheep pen behind the propane tank and clean up after your dogs. There are buckets and scoopers available. Do not potty dogs anywhere near the building. You may use the sheep pens directly next to the potty area to run your dog

You may also use the area behind the buildings to potty your dogs. Please pick up after your dog in this area

Baby pools with water will be available.

There is a \$10 potty fine for any dogs pottying in any area other than the designated area, ESPECIALLY on or around either of the buildings! There is also a \$10 potty fine for any dog pottying inside the building.

Obey the speed limit when driving on North Church Street. Police have been known to issue tickets for speeding.

Absolutely no competitors/dogs allowed on the property to the left as you are coming up the long driveway.

Competitors must be present with dogs immediately following the class in which an award is earned in order to claim prizes and awards. No prizes, ribbons or awards will be mailed.

No celebratory balloons are permitted on the premises. These have caused damage to the fans inside the buildings in the past.

As with all spectator venues, you are encouraged to present yourself and your dog in the best manner possible, including attire and sportsmanship. Help us to preserve such venues by following all show ground rules. Your cooperation is greatly appreciated.

## CHECK-IN & MEASURING

---

No competitors may enter premises prior to 7:15am all three days

Check-in: 7:15am, briefing at 7:40am, judging at 8am

All times are tentative and subject to change. Please stay tuned to announcements throughout the weekend for schedule changes.

There will be two types of check-in, Full Service and Express. Each dog is a unique entry; just because one dog may not need to check-in/measure-in does not mean that all of your dogs entered are able to do so as well.

Full-service check-in is required if you did not provide permanent height card info for a dog (copy of plastic card, copy of USDAA print out or a copy of AKC permanent height card) Those who cannot present their permanent or completed temporary USDAA cards, or copy of info page, or whose dogs are NOT jumping the maximum height, will be required to "measure-in". .

## MEASURING FOR REGIONAL EVENTS

=====  
 Dogs that are entered in tournament events and do not have a permanent yellow or white height card MUST be measured if their temporary card does NOT have 3 measurements. If you have a completed blue card or measuring sheet and are waiting for the 3<sup>rd</sup> birthday measurement, just show the card. This policy does not apply to dogs entered in test classes only or to those dogs jumping Ch24" or P20"

Also, if you are due a refund, still owe us money or need to hand in your GP vouchers, please use full-service check-in. If you do owe us money, this must be paid at time of check-in or you will not be permitted to run.

If you have either: one 1<sup>st</sup> place Super Bye GP voucher or two non first place GP vouchers and your dog is NOT entered in GP Finals on Sunday, let me know asap. If you earned two vouchers since entering this trial, you MUST bring the physical vouchers to check in and and let me know ASAP!!
