** Combined Relay will have 2 rounds and any level dog may enter and be paired with any other level of dog. Unlike USDAA @Home, Performance and Championship dogs will NOT run together unless an accomodating dog is needed.

Combined Relay is run on an Advanced level course and subject to Advanced rules for judging purposes. Combined Relay 1 & 2 will be on the same course. If running the same pair of dogs, the dogs will switch sides for the second round. For titling purposes, we will pair different dogs together for the second round, if necessary.
