Mask Protocol

Masks are optional at all times.

Measuring Dogs

Measuring will take place near the check-in table prior to the first class. All dogs jumping below the 24 inch Championship height or the 20 inch Performance height must be measured unless you can show a permanent card from USDAA (from the dog's data page on the USDAA site), an AKC permanent card or two pages from UKI – the first page showing an asterisk beside the dog's height on the My Dogs page and then the second page after you click Edit for that dog that shows the dog's actual height. Either email me a pic of the AKC card or the two UKI pages, or bring me a paper copy, and I will submit to USDAA so that your dog will show as having a permanent height card in the USDAA system.

Parking/Crating

Crating is in the green building only. All parking is first come first served. Parking is in 2 areas; the first area is front of the red building 3 rows will fit here. There is no parking in front of these 3 rows or in front of the sheep pens. You may also park to the side of the green building in the old outdoor ring. Please do not move any cones or park in front of any cones.
