

USDAA Agility Trial, April 4, 2025  
UKI Agility Trial, April 5-6, 2025  
2 Painter's Path,  
Washingtonville, OH 44490

Thank you for entering this trial! This is your final confirmation – please read the entire confirmation as it contains important information for the weekend.

If you are also entered in the UKI trial on Saturday and Sunday, you will be receiving a separate final confirmation by Thursday.

Carefully check all of the entry information listed in your email and contact me immediately with any discrepancies at [trialec@dognutmom.com](mailto:trialec@dognutmom.com) or Helen McNenly at 215-285-0411. For faster response, please use email.

I MUST have ANY changes by 10pm, Wednesday April 2, 2025!  
Check your confirmation, especially for jump heights and class levels!  
Don't wait to see the running order!

USDAA Running Order will be on my site: [www.dognutmom.com](http://www.dognutmom.com) by Thursday afternoon. We will not be providing copies, so please print your own.

Course copies will be available on my site: [www.dognutmom.com](http://www.dognutmom.com) by 10pm Thursday night for Friday. UKI rules only allow us to publish course maps at the time the site opens. As I am driving back and forth each day, I will attempt to get these posted online as close to 8am as possible

We will have a copy posted so that you can take a picture with your phone.

ALL dogs not having a permanent card/printout from the USDAA website showing permanent status will need to be measured if you have not mailed a copy of the permanent card/printout in advance, or if your dog is NOT jumping Ch24" or P20". You may also email me a copy of your permanent card or printout and save the check-in hassle. You can take a picture of the card/printout with your phone and email it. You can also send me a copy of your AKC Permanent Height card if you have one. If you have a permanent UKI measurement, there will be an asterisk in the height category column of the My Dogs page. We will also need the second page after you click on Edit under the Actions column which shows the dog's actual height.

If you are relatively new to USDAA, you do need to print out the temporary measuring sheet from your dog's page on the USDAA site – it has all of your dog's information on it. You will need to get that sheet signed by the judge and then keep it until you have all the required measurements recorded on it.

**The building will be open at 8am each morning.**

**Measuring will be from 8:15-8:45,  
Walkthroughs begin at 8:45.  
First dog on the line 9:00am**

Please volunteer when you can! This is a one ring trial so no conflicts!

I will happily take day of show additions to any entry – let me know by 8:30am that day.  
Payment by check or exact change please and bring completed entry form. You WILL need both your handler number and dog number for UKI entries.

**We will also be offering Mulligan Runs for \$5/run all 3 days for all classes EXCEPT for any of the Jumpers runs on Friday OR if we start to go too late in the day**

The class schedule is unchanged from the test schedule

Some site information:

If it is a wet and muddy weekend, you will NEED to bring a clean pair of shoes to wear in the ring. No muddy shoes in the ring. Also, no muddy dog feet in the ring.

Indoor “real” bathrooms – please don’t bring your dogs inside with you 😊

Use mats under your crates in the crating area.

Plenty of room to run your dogs outside, but please pick up after your dogs. Don’t let your dog pee on the building, handicapped signs, trash cans or right outside the door.

There are dog kennels set up behind the agility arena, both for boarding dogs and the owners’ personal dogs. Please be aware of their space and play with your dogs outside in front of the building and along the property on the driveway side. You MUST pick up after your dog and dispose of the waste in the dumpster or in the outside trash cans. Do NOT put the waste in ANY indoor trash can!

There will not be a food vendor, so please plan according. There is a list of nearby food establishments on the last page of this confirmation.

Bitches in season are allowed and will run in their assigned spot in the run order EXCEPT for Advanced/P2 and Starters/P1 Standard where they will run at the end of the class. Either bring a mat for the dog to start on in the ring, OR may run in VERY WELL fitting “bitches britches” – no droopy drawers!!!

Don’t forget to add any new titles that you and your dog earn in the New Title Book – I’ll make brag announcements on FaceBook

Gold star for you for reading this far
